The Rent Assistance Program provides limited rental support to eligible participants to help maintain stable housing.

Required Documentation

To be considered for rent assistance, participants must submit the following:

- A copy of the current lease agreement showing the participant's name
- Verification of the total monthly rent amount

Eligibility Guidelines

- Assistance is available for rent only
- Mortgage payments are not eligible for support

Shared Housing Policy

If the lease is shared with a spouse, partner, or other roommates, assistance will be limited to the participant's proportional share of rent (typically up to 50%), unless otherwise determined by program guidelines.
