

Tuition

The New American Grant Program may provide partial tuition assistance to eligible participants who are enrolled in post-secondary education.

Eligibility Requirements

To qualify for tuition support, participants must provide documentation confirming:

- Enrollment at an accredited university or community college
- The participant's full name
- Declared major or program of study

Acceptable Documentation

The following documents may be used for verification:

- Official or unofficial academic transcript
- Class schedule showing current enrollment status

Funding Limitations

- The program does not cover full semester tuition
- Assistance is provided as partial funding only, based on available program resources
- Award amounts may vary depending on funding availability and participant need

Important Notes

- Tuition support is subject to verification and approval
- Funding is not guaranteed and may change each term
- Payments will be made directly toward approved educational expenses when possible
